

Policy Title: Draft Physical Changes to Buildings or Grounds Policy

Date Created: 2/10/09

Review Date:

Policy Number: Facilities-5

Body of Origin: Caretaker

Review Authority: Caretaker, Facilities Committee

Purpose: To prevent changes to the building or grounds that do not conform to the master plan, legal codes, fit with the Waldorf philosophy, or cause damage through negligence or ineptitude.

Policy Details: Guidelines for altering the building will be followed to establish what physical changes to the building are approved and to prevent changes that cause problems. For example, when incorrectly installed plumbing work, done by unskilled volunteers, caused flooding in a classroom.
